**Nothing energises a workplace quite like music, laughter, and creativity. Our Lip Sync Battle Event is a high-energy, interactive experience that encourages teamwork, boosts morale, and gets your team performing together like true rockstars.**

***Get Dressed. Get Ready. Perform Your Best!***

## How It Works

1. Form Teams – Participants are split into groups and choose a popular hit song.
2. Plan & Create – Teams collaborate to choreograph dance moves, design costumes, and perfect their lip-sync performance.
3. Step Into the Spotlight – When it's showtime, each team takes the stage to perform. Expect cheers, laughter, and big applause!
4. Judging & Prizes – A panel of leaders or volunteers scores performances on creativity, enthusiasm, and team spirit — adding a friendly competitive edge.
